

18" RV 30 Amp Male to 50 Amp

Female Dogbone Adapter

No more struggling to wiggle the plug loose from the park outlet! Integrated pull handles on this adapter makes electrical hook-up easy. Connects 50 Amp power cord to 30 Amp park outlet.

The dogbone-style adapter offers a safe, comfortable grip when connecting to the park power post. It also makes removal easier with less pulling and stress on the cord and plug.

Handles are molded and made of heavy-duty polyvinyl plastic.

Gripped handles make unplugging easier.

180 degree turn from male end to female end reduces stress.
