

25 Foot Extension

30 AMP RV Power Inlet to 30 Amp Standard Source

SPORTSMAN
SERIES

Make it easier to connect your equipment to your RV by providing additional length.

Allows you to connect your marine-style 30 Amp RV power inlet to a 30 Amp standard power source.

The female side features a threaded locking ring.

30-Amp locking female end and 30-Amp standard male end.

Use with marine-style 30 Amp RV power inlet.

Gripped handles make plugging and unplugging easier and safer.

Threaded locking ring helps to create a weatherproof connection.
